

COACH: UMIT ERDEM / Turkiye

“Despite pandemic, we came together at a long table for the certificate ceremony to celebrate the success of the program. Good memories with good learning. One of the best programs I facilitated. All online”

ENGAGEMENT INCREASED **81%**

CLIENT

Rasyotek provides support services for technology efficiency in all business processes except for the main activity areas of enterprises. They analyze the data of enterprises and avoid erroneous transactions with the support of an integrator software for Big Data interpretation and via fast, efficient reporting solutions.

WHY

People working at Rasyotek are well educated, talented IT staff. Pandemic and working remotely create a necessity for new leadership capabilities.

KPI's decided for the programme were:

1. Increasing communication between departments
2. Awareness of taking initiative and innovation as a part of company culture
3. Increasing problem solving ability; Identifying the problems and taking action to solve them.

HOW

It was an online program for team and individual engagement. We performed group activation with proven E&G methods to develop leadership practices in weekly 90-minute online dynamic sessions over 12 weeks.

GAIN

ANY COMMENTS WORTH HIGHLIGHTING

At the end of the program, we are a team who can find new and continuous motivation tools

Team management grew and it is sustainable

We learned to think out of box with joy

EG enlarged my perspective

And a final closing testimonial from one of the greenest attendees:

Even though the Engage & Grow program is launched under the title of a leadership, coaching program, it is actually a real awareness program.

It was a great program to learn about yourself
